### DUO-THERM

the Style Leader

Here indeed is a cooking range to glorify the American kitchen. Beautiful, smartly-styled in every line and contour, the new Duo-Therm fuel oil burning Range with its gleaming white porcelain enamel finish and contrasting black trim perfectly expresses the finest in modern design. And just as the Duo-Therm sets new standards of appearance, so too it brings you new standards of simple, efficient performance. Clean, fast, noiseless in operation and free from soot, odor or ashes, it will give you an entirely new kind of cooking convenience and new time for leisure to do the things you want to do each day.

Earl Barnett Jr., of Parkdale has been visiting relatives here the past few days.
