

Swimming Pool Discovered In Conlee Basement

A leak was discovered in the basement of the Odd-Fellows building Wednesday night by L. R. Conlee, whose grocery store is located there. The basement was nearly full of water, the probable result of three or four days leaking as water has been heard nearly all week long in adjoining buildings. Pumps were rigged up of 1 1/2 inch until the city fire pump was equipped with proper pipe and pump to remove the water from the basement.
