Whereas, It has pleased the great architect of the Universe to remove from our midst our late sister Hattie King Andrews

Whereas, It is but just that a fitting recognition of her many virtues should be had therefore be it Resolved: That while we bow with humble submission to the will of the most high, we do not the less mourn for our sister who has been taken from us.

Resolve, that in the death of Hattie King Andrews, this Temple laments the loss of a sister who was ever ready to proffer the hand of aid and the voice of sympathy to the needy and distressed of the fraternity: an active member of this society, whose utmost endeavors were exerted for its welfare and prosperity; a friend and companion who was dear to us all; a citizen whose upright and noble life was a standard of emulation to her fellows.

Resolve: That the heartfelt sympathy of this Temple be extended to her family in their affliction; that these resolutions be spread up on the records of the Temple, and a copy thereof be transmitted to the family of our deceased sister and to the local papers.

Colorful Fun Zone for San Francisco Fair

Exposition Offers \$1,000 Prize for Name of Midway

SAN FRANCISCO—Wanted—a snappy, snappy name for the Amusement Zone of the 1939 Golden Gate International Exposition, on Treasure Island in San Francisco Bay. One thousand dollars cash will be paid to the person submitting the name selected.

This was announced by Exposition executives who declared they are seeking a name for the Amusement Zone that will be different and new—a name suggesting fun, thrills, gaiety, color, and one that is short, catchy and easy to remember.

At the Panama Pacific Exposition in San Francisco in 1915 the Amusement Zone was titled "The Zone." At the Century of Progress in Chicago it was called "The Midway," while at the St. Louis Exposition of 1904 they called it "The Pike."

World-famous showmen are planning the most colorful Amusement Zone of any World's Fair in history for Treasure Island in 1939. Music, pageants, cavalcades, girl shows,

barkers, roaring thrill rides, foreign villages will be some of the features of the Amusement Zone. Scenic railways, double Ferris wheels, skyrides will be a part of this center of fun for which the Exposition wishes a name.

Treasure Island's Amusement Zone will have all the glamor and romance of the Pacific Ocean to draw from—the South Seas, Latin America, Lands of the Southern Cross, the Orient and Far East. Thousands of applications for concessions already have been received, including Japanese and Oriental restaurants, complete with idol dancers, native foods and exotic decorations; under-water rides on San Francisco Bay, and breathtaking mechanical devices.

Names submitted in the Amusement Zone Name Contest must not exceed three words and must be received not later than February 18, 1938, at the offices of the 1939 World's Fair Contest Committee, Treasure Island, on San Francisco Bay.
