As the old year draws to a close we wish again to express to our friends and customers our sincere thanks for the business you have given us during 1938 and to hope that our cordial relations may continue through 1939 and the years to follow.

It is friendships and confidence that built the Karns Market and we want you to know that we appreciate them. We are interested in serving you and in seeing that you get the most for your money.

But aside from all that, we wish you and yours a Merry Christmas and a Happy New Year.
