Moro's basketball season is climaxed Friday night February 17, when Moro plays Rufus on our home floor.

Rufus is county champion but Moro is determined to defeat the highly touted Wolves. Rufus has won every game they have played this year while Moro has lost four.

Last Friday night Moro defeated Kent on Kent's floor. It was a ragged, hard played game full of many spills and accidents, one of which put Pinkerton, Moro star on the bench for about two weeks. The final score was 26 to 23. The lineup was the same as usual and Christianson was high point man with eight points. The seconds won their game 15 to 5. Gentry was high point man with seven counters.

So far this season Moro has won seven of eleven games played. Statistics of the games show that Moro has made 326 points for an average of 29.7 a game, while our opponents have made 323 for an average of 29.4.

In individual scoring Pinkerton and Christianson lead with 120 and 100 points respectively.
