Long-Life Records Prove "CATERPILLAR" DUST PROTECTION PAYS

All vital parts of the "Caterpillar" track-type tractor are fully protected against water, dust and mud. Specially designed seals perform a double-duty service. They ward off the constant attack of abrasives and keep lubricants around moving parts.

That's why so many "Caterpillar"-built machines are still going strong after 15,000, 20,000 and even 30,000 hours' hard work.
