MORO SCHOOL NOTES  
By Claudine Thompson

The report cards given out to the students of the Moro school this six weeks were a new and different type of card than has ever been used here before. The principals of each school in the county and the County School Superintendent met and discussed a new type of cards. As they did not come to any definite decision they plan to meet again. In the meantime Moro is using a mimeographed form compiled by Mr. Cunliff.

The results of the Kent games at Moro were exactly opposite from the results in the games Moro played at Kent. The Moro girls won 37 to Kent's 16 and the Kent boys won 39 to 19. There are no games this Friday, but the following Friday, November 3, Moro will play their return game at Gass Valley. We wonder who will win?
