**INTERESTING FACTS ABOUT BEER AND BREWING**

**WHY BEER IS THE BEVERAGE OF MODERATION**  
Beer's alcoholic content is very low... lower than any other alcoholic beverage. That is why it is called "the beverage of moderation." You are not likely to get in trouble if you stick to beer.

**OLDER THAN THE PYRAMIDS OF EGYPT**  
Beer has been brewed since the beginnings of recorded history in many parts of the world. It was known in ancient Egypt, in China, and the Euphrates valley.

**BOUGHT BY BEER AND ALE: 25 BILLION POUNDS OF FARM PRODUCTS.** Steadily, year after year, the brewing industry gives American farmers a big order for farm products. That's a help farmers appreciate.

**"CLEAN-UP OR CLOSE-UP" A NEW PLAN TO PROTECT BEER RETAILING**  
One of the most interesting things about beer and ale is the brewing industry's program to keep retailing wholesome. This program is now in effect in a number of states. It is being extended. We want you to know about it. Write for booklet. United Brewers Industrial Foundation, 19 East 40th St., New York, N. Y.
