Everyone knows the value of **FOUR QUEENS**

But by this time next week this county will have six or even **EIGHT QUEENS**, or aspirants to that honor

Girls who can and like to ride a horse may earn the honor of being the first Sherman County Fair Queen, who, outfitted in white, rides at the head of the parade, leads the serpentine, and is most certainly, the belle of the ball.

- The contest starts next Monday morning.
- Contest ends September 4.
- It will be the first of its kind in the county.
- The Queen and four princesses will be dressed in fine outfits.

And if you don't think this is going to put some pep in the old fair---just wait.

Not that the county's best entertainment has been without pep, either. Or will be. Mac Barber and his bucking broncs will be back; Prancing Percherons, Beautiful Belgians, Handsome Herefords, Sleek Shorthorns, will parade, led by the county's best product---the boys and girls.

All the old amusements and whatever is new will be provided.

It's Your Fair Sept. 13-14-15
