## Queen June

We know you will rule over Sherman Countians during the fair with grace and dignity, although you are the first of our queens.

There will be many things for you to watch that we are sure will interest and amuse you. May we list a few of them so you will miss none of them.

● There will be your coronation Friday, which we are sure will be one of the high spots in your life.

● There will be the Grand Entry and Serpentine in which riders from all over the county will participate and you will be mounted and placed where you can see it to best advantage.

● And horse races: It is the sport of kings, we know, but we are sure you as a queen will enjoy it immensely too.

● The bucking may be a bit brutal to one with queenly tastes but many of your subjects will enjoy seeing the plunging horses pile the cowboys.

● There will be clowns and jesters to amuse you, and music from your kingdom for your enjoyment.

● Dances have been arranged in your honor and games and amusements for each and everyone one of your subjects so your reign will be most pleasant.

We salute you, Your Majesty
