Mr. and Mrs. Bill Lamborn and two children of Montana stopped here last week. He is employed by the government.

Little Things That Mean BIG Savings!

The PLUS VALUES in "Caterpillar" Diesel Tractors are little things - most of them don't show on the surface. But they're BIG in importance because they all add up to more work per gallon of fuel - less repair expense per hour of work - and better performance on all kinds of jobs. Our next series of ads will tell you all about eight of these BIG PLUS VALUES. Be sure to look for them!

Mr. and Mrs. S. J. Brock and Mr. and Mrs. Ove Hansen were at Walt's place on Five mile Sunday.

JAMMED STARTER

When a starter is engaged while the motor is running, a bent starter shaft or broken teeth on the flywheel may result, making the starter jam when it is next used to turn over the motor, according to the mechanical department of the Oregon State Motor Association. If the motor is running, the starter should never be used.
