Hans Koepke Goes To Iowa From Grass Valley

Hans Koepke left Tuesday night from The Dalles for Dunlap, Iowa where he will visit his sister, Mrs. Emma Volquartsen and daughter. Hans hasn't been there in 42 years but remembers that about then he was a 100 bushel corn husker and thinks he may be pretty good yet. They have a brother who remained in Germany and who is now in the army working behind the lines.

Sam and Mrs. Davis are getting a basement walled up under their house. The house is now on the favored building site and a new house may be the next move.

William Beck and wife have a new daughter, a candidate for a school teaching job about twenty

years hence. She was born Sunday in The Dalles.

Dr. M. B. Taylor and Mrs. Taylor were up from Portland Sunday to look over their land southwest of town and see a few old friends, although those who were here over twenty years ago when Doc was here are getting rather scarce. Although Doc got into the automobile era before he left he drove his little gray team over many miles of road before he obtained that little white open Buick.

Loy Cochran and wife were here this week from Portland for a visit with Eben Kee and wife, Eben being Gladys' brother.

I. V. Kane took advantage of the good week end to go to Fossil and visit his wife and son. Matt Simon and wife were also at Fossil Saturday night and with Mr. and Mrs. Lester Barnum spent the night with Judge Hendricks.

Ben Fraley came over from Mau-pin Sunday to see his father, O. M. Fraley who is staying here with his daughter, Mrs. Art Bibby. Don Smith has moved to The

Dalles taking his wife and son. He will work there.

The Ted Balls have finished their new house on the hill above the old one and a Saturday night ago held a house warming to properly dedicate it for use. It is but one of the improvements they are making to the old Grimes place.

Orville Ruggles and wife went up to Prineville for a week end with relatives and friends of the years they occupied a farm a few miles east of that town.

Fred Cox went down to Oregon City to get his daughter, Ellen and bring her home for a little visit.

The Rogers construction outfit has shot the gravel pit in the L. K. Smith field east of town and will be crushing rock for the county roads in a short time.

Rain fell Sunday night and Monday and while Tuesday was fairly clear more moisture came Tuesday night to make the farm-

ers who have seeded their grain surc their judgment was good. Most of the grain is in here, and up and growing like a weed.

Mr. and Mrs. Norris Gilkison had a party Saturday night for some friends and Mrs. Charles Lemley and Wren Hogue were high scorers at the Rebekah card party Saturday night.

Roy J. and wife and grand-daughter came back from Ontario this week and stopped here a day before going on to Gresham.

Mr. and Mrs. Ed Alley were down to Paul Alleys Sunday for a country dinner.

I. A. Dunlap left Wednesday

to spend a couple of days at Walla Walla with other delegates to the Inland Empire Waterways meet

Mrs. John Klein is visiting her parents, Mr. and Mrs. Arch Fortner, here from Spokane.
