FREE! TRAINING that is worth \$1500.00

READ HOW YOU TOO CAN BECOME AN EXPERT IN AVIATION, RADIO OR ENGINEERING AND DRAW GOOD PAY WHILE YOU LEARN!

IF YOU WANT to get ahead fast, to serve your country, to build yourself a good-paying future... here's the opportunity you've been waiting for.

The U. S. Navy may train you to become an expert in any one of nearly 50 skilled fields. Each month, over 6000 new men will be sent to a Navy Service School, where you can learn to be a Diesel engine operator, machinist, aviation mechanic, aerial photographer, radio operator, or whatever specialized work you're best fitted for. This first year's training which you get is worth at least \$1500.

The Navy foots the entire bill. You earn while you learn. In fact, it is possible for an enlisted man to earn up to \$126 per month—with keep.

You'll have plenty of opportunity for advancement in position and pay—and you'll have fun while you learn! You'll come out of the Navy fully prepared to take on a good job in private industry. And if you want to stay in the Service, you can go right to the top... and retire at the end of 20 years or 30 years with a liberal monthly income.

You can choose now between the regulars or the reserves. Both offer equal opportunities for advancement.

Get this FREE Booklet

Mail coupon for your free copy of "Life in the U. S. Navy," 24 pages, fully illustrated. It answers all your questions. Tells what your pay will be... promotions and vacations you can expect... how you can retire on a life income. Describes how you can learn any one of 45 big-pay trades from aviation to radio... how many may become officers. 27 scenes from Navy life showing sports and games you may play, ships you may be assigned to, exciting ports you may visit. Tells enlistment requirements and where to apply. If you are between 17 and 31 (no high school required), get this free book now. No obligation. Ask the Navy editor of this paper for a copy. Or telephone him. Or mail him the coupon. You can paste it on a penny postal card.
