

School Children Released For Holiday Weekend

School was turned loose Wednesday at three o'clock giving the teachers time to get to their homes in time to start cooking the turkey. The Jackson sisters left for Mitchell, Miss Josephine Cornacchia and Miss Isla Putman to towns near Eugene and the others to their homes.

Raymond Henrichs has gone to work for the Bonneville administration and is living at North Bonneville. He is a special guard on some of the sub-stations.

Fred Beardsley and Lucille Lenuel were married Saturday of last week and are now living in the Judge Hendricks house which they have rented.

Mr. and Mrs. E. H. Moore and Mr. and Mrs. Collis Moore returned last Friday from their trip to California reporting a good time looking over the scenes of Mr. Moore's youth and visiting friends. The marriage of Mr. and Mrs. Herman Nichols occurred September 4 instead of last week, they having been married in Washington at that time.

Mr. and Mrs. Fred Braun and children of Forest Grove are here to spend Thanksgiving day with Mrs. Braun's sister and family, Mrs. Orval Thompson.

Gertrude Gillmor left Wednesday for Portland to meet her brother Bob and spend the holiday week end at the home of an aunt.

Mr. and Mrs. Carrell Sayrs left last week for California where they will visit and spend the holiday with their daughter, Reatha, a student at San Jose State college.

Mr. and Mrs. H. C. Ginn returned home this week from California and Nevada where they had been for a ten day trip.

Mr. and Mrs. Willy Knighten left Wednesday afternoon to spend the holiday with his brother John near Unity.

Miss Bonnie Peters has started work in the county agent's office this week.

Mrs. W. H. Close left Monday for Salem to spend Thanksgiving with her sister and other members of her family. She will return Sunday.

John Austin Foss arrived Wednesday and others of the students at colleges are expected home in time for a bit of white and dark meat with their families.

Mr. and Mrs. Arthur Bucholtz came back from California this week and glad to get out of the earthquake belt.

Lt. Lloyd Henrichs was here to visit his mother last week. He is leaving Camy Murray for another camp the destination of which is not known.

Mrs. Elizabeth Schaeffer has had her home in Moro painted and re-modeled. It is now ready to occupy comfortably again.

Mr. and Mrs. Charles Ruggles went to Portland Monday to have his eye examined again.

Mr. and Mrs. Carl L. Stamey, of Silverton, Dr. and Mrs. L. D. Idelman and Miss Frances Sparks of Salem, Mr. and Mrs. Maurice Stamey and Dean Stamey from Valsetz were visiting over the week end at the A. S. Johnson and L. H. Sayrs homes.

Mr. and Mrs. E. J. Belshaw arrived home from Omaha, Nebraska Friday morning where they had been visiting the former's relatives for the past two weeks. They were accompanied by his brother, George Belshaw, who left for Klamath Falls on Monday.

Donald Williams spent Thanksgiving day with his parents here coming from Portland where he has just finished a course in welding. He went to work this morning at the Oregon Shipbuilding company as a welder.

Harry Holzappel was here Wednesday from his home in The Dalles. Gerald is now a lieutenant in the air corp in Texas.

Mrs. Arthur Chamness is here

for a visit with her parents, Mr. and Mrs. Dan McLachlin.
Mr. and Mrs. Wes Fuller and son, Dean and their daughter Vivian and her husband, Jim Warnock, left Wednesday for the Warnock home at Innaha where they spent Thanksgiving. They expected to return by way of Spokane and Grand Coulee.

M. E. McKee came in Wednesday night to spend the remainder of the week with his family here.

Mr. and Mrs. J. C. Freeman left Wednesday for LaGrande to spend the holiday and the week end with their daughter.

V. S. Barr moved his household goods to Lebanon this week having sold his house in Moro to G. Douma, who, it is understood, will occupy the house in a short time.

Mr. and Mrs. E. A. Race were here Thanksgiving day to eat turkey with other members of the Sayrs family.

The rainstorm of last week was cheerful news for Sherman countians who like to have it rain during the crop season. Rain was needed in the north end of the county in some places. Total rain was 1.63 at the station at Moro and slightly higher in the north end. Heaviest rainfall was 1.02 in one night.

The American Legion Auxiliary met Tuesday to plan for the executive carnival which will be held at the hall December 6.

Mr. and Mrs. Fred Beardsley spent Thanksgiving in The Dalles with her parents, Mr. and Mrs. A. F. Lemuel.

The high school of Moro presented two one act plays last Saturday night at the school auditorium and both glee clubs sang. The freshman class gave one of the plays and the senior boys the other.

Mr. and Mrs. Scott Fortner were up from Hood River last week end to visit with her parents, Mr. and Mrs. W. Ray Blake.

George Martin returned Wednesday night from Portland and will begin school here next week.

Care of Children In Traffic Rule Given

As youngsters go trudging back to school in the face of heavily increasing traffic, the Oregon State Motor Association issued ten simple rules for the guidance of parents of school-attending children.

These were announced by Harold Wormser, member of the board of directors and chairman of the Safety committee:

1. Select the safest, most protected route to school, the store, or playground. Go over it with the child—see that he follows it.

2. Teach children how to cross unprotected streets by looking in all directions before crossing.

3. Teach children that the curb line is the danger line, and train them to stay on the sidewalk until the way is clear.

4. A parent's own traffic practices are much more important than words. Set a good example yourself.

5. Urge children to cooperate with their school safety patrol.

6. Teach children to play in safe places away from traffic.

7. Command children when they obey signals and look before crossing.

8. Stress the importance of walking briskly, not running across streets.

9. Make it your practice when with children always to cross at the corner.

10. Show concrete evidence of your interest in traffic safety by participating in local community safety programs.

Scrap Iron Needed By Government

Oregon farmers have been asked to participate in the nationwide campaign for the collection of scrap iron and steel to aid the defense program. Farms of the United States are considered one of the most important sources of scrap supplies, which are now urgently needed for use by steel manufacturers for combining with pig iron.

Robert B. Taylor of Adams, chairman of the Oregon USDA defense board, is asking the cooperation of all county boards in carrying on a drive for the collection of scrap in connection with the current campaign to see that usable machinery is repaired early for use next year.

A graduated scale of prices for farm scrap throughout the United States, based on distance from consuming centers, has been set up

CHURCHES

Wasco First Church of Christ, E. Claude Stephens, Minister. Special Evangelistic Services, Beginning Today, the 23rd of November, with B. Ross Evans as Leader. 10:00 o'clock Church Bible

Moro Christian Science Society: Church services are held every Sunday morning at eleven o'clock and Wednesday evening meeting at eight o'clock. The Wednesday evening meetings include testimonies of Christian Science healings. Sunday school begins at ten o'clock. The reading room is in the rear of the church building where all authorized Christian Science literature may be read, borrowed or purchased.

Moro Community Presbyterian Church, James D. Moberg, pastor. Bible school at 10 a. m. Thanksgiving program by School, honoring National Missions. Morning Worship at 11 a. m. Sermon, "How God Deals With Opposition." Special music by choir. Young Peoples Meeting at 7:30. Prayer meeting at 7:00 p. m. and Choir practice at 8:00 p. m. Wednesday.

So that farmers will know approximately what they will receive for their material at the various assembling points. For Oregon a price of 61 cents per hundred pounds at Portland has been established. The amount received by the farmers, however, will be this price less the cost of shipping to Portland and the cost of preparing the scrap for shipment to steel mills, the latter being approximately 12 cents per hundred.

The price paid would not alone be enough to insure the thorough combing of the rural areas for scrap points out Chairman Taylor, but farmers will profit in other ways by helping provide an adequate supply of iron and steel scrap. If the flow of scrap is not sufficient to meet needs, steel output will be further reduced, which will mean that farmers will encounter still more difficulty in obtaining machinery and other steel products. Besides, it will be a patriotic service.

The O. S. C. extension service is cooperating by urging county agents and 4-H club organizations to help in the scrap collection campaign in every way possible.
