HE WHO "steps up" ALSO SERVES

UNION PACIFIC is doing its share to meet the nation's vital need for dependable transportation. It's a job we're proud to do. Over "the strategic middle route" connecting East with West, our gigantic locomotives are hauling not only war materials but also thousands of Uncle Sam's men in uniform.

Thus, it is apparent that travelers may not always find it possible to obtain their preferred accommodations. Perhaps only coach seats or upper berths will be available. To Union Pacific patrons, whom we have had the pleasure of serving and will continue to serve to the best of our ability, we would like to say "he who steps up also serves" and express our thanks for their cooperation.

For information concerning passenger and freight transportation, consult local representative.
