Please limit your call to 5 minutes. Others are waiting.

EVEN with a war, we'd like to keep on giving you quick service on Long Distance calls.

Most of them go through all right but some routes are crowded—like the railroads.

When the circuit you want is extra busy, the operator will ask you to limit your Long Distance call to 5 minutes.

It won't happen on all circuits, all the time. But when it does happen, we know you'll understand why.

It will help to give the other fellow a chance. Tomorrow that other fellow may be you.

Resolution of Respect

Again that unwelcome yet restless visitor, death, hath entered the portals of Marian Rebekah Lodge No. 127 and summoned our dear sister, Ida Hetzler, on May 28, 1943 to the beautiful home beyond. Her zealous works in the interests of our beloved order and her life laden with gentleness and kind deeds has won for her the plaudets of the good Master and will cause her name to be cherished in affectionate memory in our lodge.

And whereas, the all wise Father hath called our beloved sister to the New Jerusalem, where, happily she hath heard the signal of her release on the bells of the Holy City, the chimes of

eternal peace." And she having been a faithful and ardent worker in the teachings of Friendship, Love and Truth, therefore be it Resolved, that Marian Rebekah Lodge No. 127 offer their sympathy to the grieving members of the family and a copy of these resolutions be published in our county paper and sent to the family.

Wines... HELP SOLVE WARTIME FOOD PROBLEMS

When ration points say cheaper meat cuts, don't worry; apply the subtle magic of cooking with wines. The same is true with sea foods, poultry, salads. Let the wines discover unsuspected goodness in the food itself... as a flavoring only... for the alcohol evaporates as heat is applied.
