SOME BUTTER PRICES INCREASED

Consumers will pay 1 or 2 cents more a pound for butter in most smaller independent stores as a result of a recent amendment to the butter price regulation by OPA allowing jobbers a mark-up of 2 1-2 cents a pound to pay extra costs of many small deliveries.

ANOTHER WAY THE PACIFIC NORTHWEST IS

HELPING THE FIGHTING FORCES

A billion board feet of finished boxes and crating are this year's demands on Oregon and Washington mills...

Think of it! That's forty thousand carloads of Northwest lumber—just to carry ammunition, food, repair parts and other vital war supplies. It gives you an idea of the immensity of the job that men in the lumber industry have faced since the first shot was fired at Pearl Harbor.

Even more Northwest lumber is being used constantly for the production of life boats, landing barges, hutments and other field structures of all kinds.

It isn't any wonder that this industry is considered one of the most important on the home front today.

Helping Northwest lumbermen do their jobs faster, better and cheaper has been one of our big responsibilities for over 33 years. Today, we are glad that this backlog of experience is making shorter work of the new problems that come up—not only in providing dependable electricity to meet war needs in the lumber industry, but in machine shops, shipyards, airfields, army camps and homes.

CALIFORNIA WINES

PRESENT MANY CHOICES... FOR THE WARTIME HOSTESS

Not only many varieties for formal or informal dinners where wine performs as the "sauce by the sip"—but for times when guests drop in by invitation, or unexpectedly—wines are the "stand-by" of the smart hostess.

TWO SIMPLE SUGGESTIONS

HOT SPICED WINE. 1/3 cup sugar, 1/4 cup water, 1 lemon sliced, 1 1/2 inch stick of cinnamon, 16 whole cloves, 1 cup strained orange juice, 2 cups unsweetened pineapple juice, 1 bottle Burgundy or Claret Wine. Boil sugar, water, sliced lemon and spices together for five minutes. Then strain into double boiler and add fruit juices. When hot, add wine and continue to heat till mixture bubbles, but do not let boil. Serve very hot, garnishing glasses with orange slices. Serves 9 to 12.

PORT WINE NEGUS. Rind and juice of half a lemon, 1 tbsp. sugar, more to taste, 1 pint Port wine, 1/4 cup boiling water. Pare off yellow rind of half a lemon in thin strips, put into double boiler with sugar and wine, and heat, stirring until sugar is dissolved. When hot, add boiling water, and strain into pre-heated pitcher. Add more sugar if needed. Serve in glasses or cups, with dash of nutmeg as desired. Serves 6.
