

Wasco Running Low On Water; Use Restricted

The City of Wasco well has ceased to pump its usual quantity of water with the result that use of water for irrigating has been restricted for the first time in years. The deep well in the flat has always heretofore been a consistent source of supply.

Mrs Lydia Darby returned home Sunday from her vacation in Portland bringing her daughter, Mrs. Kenneth Ferguson and three children up with her to remain a week here.

Mr and Mrs Diebert Johnson and son, Gordon, Mr and Mrs William Clothier and daughter, Ann, Mrs Augusta Huckin, Mrs Belle Clothier and Gwendolyn and Billie Nislet went to the John Day Sunday for a picnic.

Here to attend the Maud Akers funeral Monday afternoon were Mrs Ruth Holloway of Los Angeles, Mr and Mrs Carrol Akers and family of Portland. Mr and Mrs Lloyd Hennagin and three children, Mrs Wayne Akers of Eugene, Mrs Walter Williams and Mrs O. A. Ekstrom of Portland and a large number of people from Moro where Mrs Akers formerly lived.

Mrs Andy Shearer and grandson, Billy, are in The Dalles this week.

Mr and Mrs A. D. Edgington came home last week end from Seattle where he had been for several days. Mrs Edgington returned to the city the last of the week.

Willard Harper expects to leave Saturday for Brigham, Utah, where he is spending some time in an army hospital having been sent home from England early in June.

Miss Georgia Harper has sent in her resignation from the ration office which leaves Mrs Glenna Anderson alone with the work. Miss Harper will harvest before returning.

A fire along the highway west of Herb Roots place, about four miles west of town, brought a crew of men to work and created some excitement for a few minutes. The blaze started in dry grass along the road near the culvert where the Mud Springs road leads off, from the Wasco west road. No damage was done, the nearby grain being saved by newly grown green right of way that had come up after hay cutting.

Mrs Casha Yates was taken to the hospital in The Dalles this week.

Mr and Mrs Pat Cody and daughter recently moved to Wasco where he is giving flying instruction with Helen Gardner at the airport.

HIS NAME WAS

An Army doctor with the Fifth Army in Italy looks at the dog tags of a dead American soldier so that his beloved back home may know that he gave his life for his country. All your country is asking you to do is to give your dollars to back up the men who are fighting for you by buying War Bonds.
