You'll cook better with Pearl Oil

A kerosene stove that gets "the creeps" has caused many a cooking failure—but it can be cured with even-burning Pearl Oil. Solvent-refined Pearl Oil burns with a hot, clear, steady flame that never creeps up. It's smokeless, sootless, odorless. For cooking, heating, lighting—order pure, clean Pearl Oil.

The proudest title in the Army

IT CONSISTS of two simple words.
Yet every soldier who's worth his salt covets it.
This title is simply: "Good Soldier."
It isn't just happenstance that so many women in the WAC have earned this title—the proudest in the Army.
For wherever Wacs are working, both here and overseas, there you find a job well done. And done with a spirit so gallant and fine that high Army officers everywhere say of the WAC... "They're soldiers. Good soldiers!"

Good soldiers...
