Play Safe - Beware of Egg Robbers

Standard Poultry House Spray

Comes mixed, ready to use. Inexpensive, dime's worth covers more than 100 sq. ft.

Standard White Oil No. 9 U. S. P.

Non-irritating, is not absorbed into system. Mix with feed to help movements and remove intestinal parasites.

Blood-sucking mites, ticks and fleas weaken birds, make them easy prey to diseases that cut egg production. But they can be controlled easily with Standard Poultry House Spray, the insect killer that stays active for days. And to step up egg production of listless, droopy hens, try dosing with Standard White Oil No. 9 U. S. P.—an excellent mineral oil conditioner.
