**Can we make it? We'll tell the world we can!**

DOES that figure sound big, neighbor? Well, those Superforts that are plastering Japan are big—and cost plenty. Battleships are big—and cost millions. The job our fighting men are doing is big—and the cost is staggering.

So, of course, our job is big. But we can do it if you and every other patriotic American in this city buy a BIGGER bond than before... or invest a BIGGER portion of income in War Bonds now!

Study the chart on the right. See what your country expects you to do in the 7th War Loan. Remember, you are part of America—a part of America's might!
