HERE'S REAL LOW-COST ELECTRICITY FOR EVERY HOME AND FARM!

AT PP&L'S NEW LOW RATES, YOU GET 125 KWH AT AN AVERAGE SAVING EQUIVALENT TO ONE MONTH'S FREE SERVICE PER YEAR

PRICE IS ONLY 1 1/2¢ PER KWH ANYWHERE ON THE PP&L SYSTEM

THIS BIG BLOCK OF KWH AVAILABLE FOR ANY PURPOSE AT THE VERY LOW RATE OF ONLY 6/10 OF A CENT PER KWH (YOU CAN USE 600 KWH, AT THIS RATE, FOR JUST \$3.60)

Do you realize how little it costs to add to your present electrical comforts and conveniences with PP&L's new low rates for homes and farms?

Look at the diagram above. You'll see that your new low rate drops to only 1 1/2 cents a kilowatt-hour as soon as you have used 125 kilowatt-hours in any month.

In other words, if you already use 125 KWH a month, you can increase your use by 100 KWH, for example, at an additional cost of only \$1.50.

Then when you get up to 250 KWH a month, your rate drops sharply down to only 6/10ths of a cent a kilowatt-hour. You can buy 600 KWH at this big-value, quantity discount price! And if your requirements call for more than a total of 850 KWH a month the added kilowatt-hours cost you the very modest amount of 1 cent per KWH.

With such an attractive rate available, it is wise home management to start planning now for the new electrical appliances you need and want—and that will be ready for you soon!
