CASE

A grand name in machinery is CASE. J. I. CASE of Racine, Wisconsin. We will soon have a display of their tillage and harvest machinery and we expect tractors right away.

Tractors are what we want to talk about because first, they have the famous Case motor that's sturdy and durable and easy to get into when it does need fixing.

They come in any size and we're especially proud of the little one that does every thing a team of horses'll do but eat when resting. We invite you to see them when they get here. Come in anyhow and get acquainted.
