AAA Payments To Drop Soon

Production payments for three groups of farm commodities now made to Oregon farmers by county AAA committees will be terminated not later than June 30, 1946, reports R. B. Taylor, chairman of the state AAA committee.

The programs affected are those for whole milk and butterfat, beef cattle and sheep and lambs. The exact termination dates have not been announced, but the chairman reminded that payment rates for butterfat and whole milk have been announced to April 1, 1946.

Words of the termination of these programs was included in an announcement by the Office of War Mobilization and Reconversion that most wartime food subsidies would be withdrawn by June 30, 1946. These subsidies were authorized by congress and initiated to stimulate production and stabilize the cost of living.

In addition to the producer payments, the withdrawal announcement includes subsidy payments to food processors. Among the processor subsidies which affect Oregon commodities are those on canned and frozen vegetables, to end with the 1945 crop season, and flour, to end not later than June 30, 1946; pork rollback subsidy of 28¢ per hundredweight, to end not later than March 31, 1946; pork subsidy of 40 cents per hundredweight, to end not later than June 30, 1946; prunes, to end with the 1945 crop season, and flour, to end not later than February 1946.

We Give Thee Thanks

In the name of the living, and of the dead,
And of those unborn—Lord, bless the bread
Of brotherhood that now we break
In gratitude for Thy sweet sake.

In the name of the living—we thank Thee, Lord,
For deliverance from flame and sword;
For loved ones spared; for the task well done;
For the battle fought—and the victory won.

In the name of the dead—locked deep in sleep
Under alien earth—give us strength to keep
Untarnished their dear-bought legacy,
The brave, bright armor of liberty.

And for those unborn—Lord, we lift a prayer
For a wiser world where we all may share
A lasting amity with men.
We thank Thee, Lord, for peace.—Amen.

One always stands out

* "RHAPSODY IN BLUE" is a modern symphony which has played itself into the hearts of Americans throughout the land. First performed at Aeolian Hall in New York, February 12, 1924, it fast became recognized as a symphonic jazz classic. Other musical interpretations of life in these United States have since been written, but among them all, the "Rhapsody" stands out.
