THE SMART FAMILY

Just like old times—to have the gang back and cuttin' a rug at the Smart's. Here I am, just one day home, and Tom Smart—that's the guy making like a "hot rock" pilot—says, "Better come over tonight... the gang wants to celebrate your return, Mr. Smith." And right away I says, "Roger!" because we've always had fun at the Smart's—plus milk shakes, cola punches... and FOOD! And boy—that always means a HIGH TIME with never a hangover. Yes, sir—fun time at the Smart family is one of those things I marked up to do when I got back home.

THE SMART FAMILY NEITHER NEEDS NOR DESIRES ALCOHOLIC BEVERAGES for FUN

SOMETHING TO REMEMBER

Establishment of passenger and mail stage coach service into Idaho in 1864. These lines connected the Boise Basin with points in Oregon, Washington and Utah!

SOMETHING ELSE TO REMEMBER

The smooth, satisfying mellowness of Corby's! Even before Idaho's first stage coach service, Corby's was a grand old Canadian name which meant fine whiskey. Today Corby's, a light sociable blend, carries on this quality tradition. Ask for it! Produced in the U.S.A. under direct supervision of our expert Canadian blender.
