LET US HELP WITH YOUR LUMBER TROUBLE

Really lumber is our principal business although we sell many other kinds of building materials and fuels as well.

Lumber is pretty hard to come by these days, but we've got some pieces of about all that's available.

If you have to build to produce there is a way to get lumber and many repair jobs are necessary to keep farms raising food and feed. We do every thing we can to help our customers with their lumber problems and generally have some success.

FOOD PRICES up 43% SINCE 1939!

IT COSTS More TO BUILD AND OPERATE A POWER SYSTEM, TOO!

● AVERAGE FOOD COSTS HAVE GONE SKY HIGH... and so has the cost of constructing and operating an electric system! Standard cedar poles have doubled in price since 1940. PP&L's taxes have increased 70%... average wage rates are up 44%.

...yet PP&L has cut average electric prices 30% in the last 6 years!

Yes, that's right! PP&L's average price for residential electric service has been cut almost one-third.

This cutting of rates when other costs are rising has been accomplished by efficient management and skilled workers... backed by 36 years of successful electrical "know how."

...now more than ever it takes experienced business management to keep cutting your electric rates.
