HOTEL MORO COFFEE SHOP

FUEL FUEL FUEL

These cool evenings and chilly dawns make the fuel matter a very pertinent one, and this is written to the men whose wives have been calling attention to the emptiness of the fuel bin, with dire reminders of John L. Lewis and car shortages that are chilling in themselves without the weathemat's assurance of fall.

Rest easy, brother, we have coal in either lump or nut and will have more if the mines and railroads keep working. Anyway you can buy now and we suggest you do it.
