From where I sit... by Joe Marsh

Want a Vacation from Marriage?

Alvin Blake went south on his vacation, for some fishing, and left his Missus to enjoy a vacation from the corn-cob pipe, clothes in a heap, and solos on the harmonica.

First few days, Martha enjoyed it—house neat and quiet, top back on the toothpaste, no morning mess from Alvin's midnight snacks (Al's partial to a bit of cheese and beer at bedtime).

Come the end of the week, she began to fidget; couldn't even read the Clarion, it looked so unamused; didn't have any appetite with no-

body to cook for. She was about to wire Al, when he barges home a week ahead of time, and she almost cries for gratitude. ("Felt the same way myself," says Al.)

From where I sit, those differences of habit and opinion—whether they have to do with corn-cob pipes, a glass of beer, or playing the harmonica, seem mighty trivial when you're separated. And they are, too!

Defeat A 3% TAX ON YOUR INCOME!
 Can You Lift Yourself By Your Bootstraps?
 NEITHER CAN OREGON!

THERE IS NO SUCH THING AS SOMETHING FOR NOTHING

The bill "To Create State Old Age and Disability Pension Fund" is the Townsend scheme! It promises to make everybody prosperous. It takes money from one group of citizens and gives it to another group. That's "bootstrap-lifting". It never has worked. It can't work.

LET'S UNDERSTAND 3 SIMPLE FACTS

- Townsend "pensions" are not insurance; no reserves are set up to guarantee payments.
- If a 3% tax on your CASH RECEIPTS does not squeeze out sufficient tax cash to pay \$100 a month, there will be agitation to increase the rate to 4, 5, 6 and 7%. This Townsend scheme takes savings from GI Joes and Janes, to give to all over 60 whether needy or not.
- This is a tax on GROSS CASH RECEIPTS, with no deductions for losses, cost of merchandise sold or operating expense. "Net gain" or "profit" is not the basis of the tax. (Only \$100 of cash receipts a month is tax free!)

Cost of Living in Oregon

- Apples: Accumulated 3% taxes, grower to consumer, 54c a box. Could Oregon apples be sold in competition with Washington's? NO.
- Lumber: Accumulated 3% taxes, logger to consumer, \$5.18 a thousand board feet. Could Oregon lumber be sold in other states? NO.
- Bread: Accumulated 3% taxes, wheatfield to consumer, 2c on a 1 1/2-lb. loaf of bread, from 16c to 18c.
- Canned Peas: Accumulated 3% taxes, grower to consumer, 19.71c a dozen cans. Would such handicap to Oregon industry close up factories, reduce employment? YES.

Don't VOTE Yourself Out of a Job!

Cost of Dying in Oregon

- Your widow will pay 3% on cash received from your life insurance policies, either annuity or lump sum payments.
- Burial facilities will cost more.
- Your children's inheritances will be taxed 3% before inheritance tax.
- Special bequests to friends, relatives, will be reduced 3%.
