KEEP QUALIFIED TEACHERS

Nearly one-third of Oregon's 8,254 teachers possess only temporary emergency certificates. Teacher turnover in the last school year was 24.2 per cent throughout the state. Among the five State System of Higher Education institutions, the number of teacher graduates dropped from 1,177 in 1931 to an estimated 102 in 1946. Oregon schools must have a sound financial system. Keep qualified teachers.

"Your Grandma asked for PEARL OIL too!"

Grandma will tell you that Pearl Oil was a kerosene leader in her day—just as it is now. It doesn't give off smoke, soot or gases that might smell up rooms. It gives more heat with bright steady flame that won't creep up to scorch pipes, cakes. And Pearl Oil is pure—it all burns—no waste! Use it in all your kerosene appliances.

"Make my marketing harder? ...I'm voting 313 NO!"

"Cut down a Farmer's Income? No! I'm voting 313 NO!"

Wise choice, Mr. Farmer! You know which side your bread's buttered on! The smart farmer is voting 313 NO on the Fish Bill... In order to keep Coastal Streams OPEN! Why? Because he knows that HUNDREDS of Oregon farmers depend on fishing those streams to supplement their incomes. DON'T endanger their livelihood! DON'T jeopardize our food supply!

Wise decision, Mrs. Oregon Homemaker! Shopping for the family's food is a problem. Supplies are scarce—prices are high. But you can still thank your lucky stars you live in Oregon, where you can supplement the family's diet with delicious Oregon salmon and steelhead. Tell your friends to vote 313 NO! Make sure your supply of good fresh and canned fish will keep coming in!

This NEW TAX—on your CASH Receipts!
Oregon has TWO Income Taxes NOW!

No One Can Win... Everybody Will Lose!

- WAGE EARNER: Less take-home pay; monthly reports; job threatened.
- HOUSEWIFE: Higher prices added to present High-Cost-of-Living (See Time Magazine, Oct. 14, page 23). Don't let your savings and widow's insurance be taxed.
- ELDERLY PEOPLE: A dollar that buys 50 cents worth of groceries is a snare and a delusion. You can't build contentment through destroying something.
- FARMERS: A 3% cash receipts tax will make you "sell cheap" and "buy dear."
- YOUNG PEOPLE: Goodbye! business and home-building opportunities in Oregon. Goodbye thrift! What job would you take that is now held by a person over 60—a person who would apply for a Townsend Pension.
