...and PP&L's low-cost electricity gives you more time to enjoy it!

A range that cooks automatically—a water heater that supplies an abundance of clean hot water automatically—small appliances... toaster, mixer, iron, coffee-maker... all add up to the ultimate in convenience and comfortable living. In the kitchen and all through the house, your electrical appliances make your job of housekeeping easier, and give you more time to get out and enjoy the world's most beautiful scenery. On PP&L's all-purpose all-electric rate you save money as well as time, for the more you let electricity work for you, the lower the rate you pay.

The chart below shows how you can add more time-saving, work-saving appliances, use more and more electricity at smaller and smaller cost.

Your dealer has the latest news about the availability of electric appliances... keep in touch with him!
