One always stands out

BLITZ WEINHARD - This planet's tallest living thing grows ONLY in the Pacific Northwest and, once for here, forms the world's heaviest vegetation. A single tree cut this year was 265 feet high, 11 feet in diameter at the stump, and yielded 70,000 board feet.

QUALITY IS ALWAYS WORTH WAITING FOR

It takes years to grow a giant Douglas Fir! It takes time to make an outstanding beer! Blitz-Weinhard's slow, carefully controlled brewing process produces the beer... "so good it's guaranteed satisfying!" Discriminating people know Blitz-Weinhard's consistent goodness and unvarying quality make it worth waiting for.
