## THE BIGGEST MOUNTAIN IN THE WORLD

... is Mount Everest, towering 29,140 feet in the Himalayas of Southern Asia. Many attempts have been made to scale the peak, and many lives have been lost on Everest's icy slopes, but the last 1,000 feet have never been climbed. A few years ago specially constructed photo-planes flew over the summit.

## THE BIGGEST BARGAIN IN YOUR HOME

... is low-cost electricity. Other prices are up, but Pacific Power & Light rates are the lowest in history — less than half the national average. And more people are using this power every day. During the past twelve months we connected 4,372 new homes to our lines.
