

## Goldendale Tops Local Basketeers 33-18 At Home

Tuesday night the Goldendale Timberwolves defeated the Moro Huskies by a 33-18 count on the Goldendale floor to hand the Huskies their third straight loss of the current season. The first half the game proved to be strictly a defensive battle with the score at half time being 13 to 4 in favor of Goldendale. Both teams still showed signs of early season ruggedness with many bad passes and wild shots.

For the Huskies the work of Phil von Borstel on the backboards was very good. Adkison, Timberwole forward led all scorers for the evening with 9 points.

The line-ups:  
**Moro (18)** (33) Goldendale  
 Sveson (3) F (9) Adkison  
 von Borstel, P. (4) F (6) Storke  
 Hartley (4) C (6) Grey  
 Thompson (0) G (1) Brock  
 Peters (5) G (2) Stiml  
 Substitutes for Moro Harvey (2) Knighten, Nelson.

For Goldendale Emery (2), Harner (2), Kemp, Radcliff, Linden (5).

In a preliminary game between the two "B" teams, Goldendale won 29 to 11.

## Fossil Finds Flaws In Moro Armor; Takes 36-27 Game

Friday, December 12, the Fossil basketball squad invaded Moro territory and took a 36-27 victory back with them. The Huskies gave a good exhibition of ball handling and floor work but were unable to connect with the basket enough times to break into the win column. The Fossil boys were out in the lead after Moro made the opening basket. Peters sank five baskets and a free throw to garner high scoring honors while George, Fossil forward made ten points to lead the scoring of the visiting team.

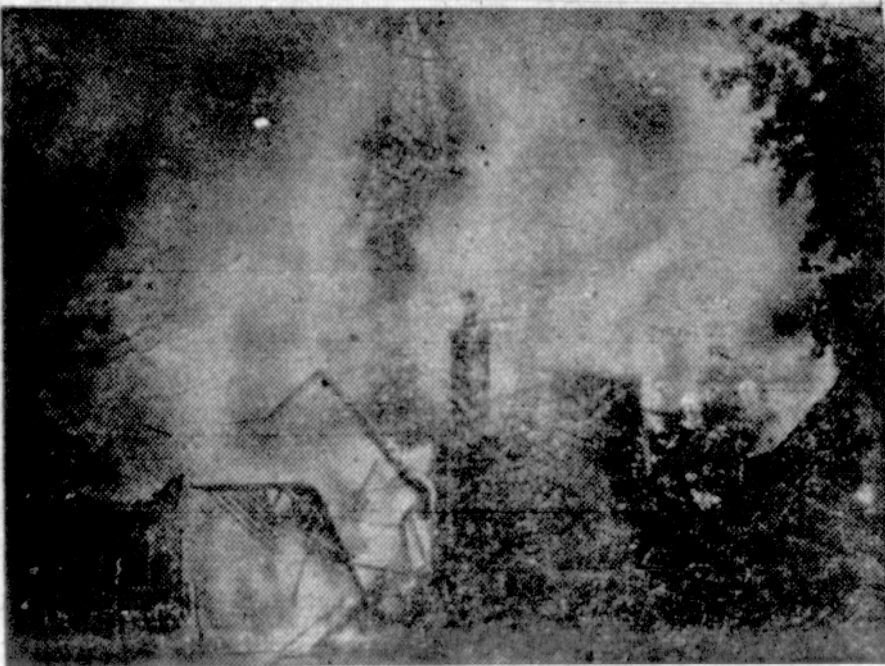

**MORO (27)** (36) FOSSIL  
 vonBorstel, P. (3) F (8) Flack  
 Hartley (8) F (10) George  
 Nelson C (10) Rudd  
 Thompson G (8) Mathews  
 Peters (11) G (8) Humphrey  
 Harvey S (4) Munjar  
 Oveson (5) S (4) Ostrander  
 Knighten S (6) Harrison

In a preliminary game between the Grass Valley and Moro grade schools, Moro won 23 to 14. The regular combination of the Moro team was broken up so that the teams would be more evenly matched. Jimmie Roberson sank seven counters to earn top scoring spot. Duncan, with three baskets, accounted for many of the Grass Valley points.

## Grass Valley Town Team Defeats Moro In Second Attempt

A score of 36 to 22 in favor of the Grass Valley town team left no doubt about which team was superior when the Moro players visited the Grass Valley court Monday night. On the previous Tuesday night the two teams had battled to an overtime tie on the Moro floor. The score was fairly even during the first half but the home boys finally found the range and began to hit the hoop regularly from all part of the floor. Claud Bayer paced the winners with 11 points and Ken Young tallied the same number with the help of five free throws. Verne Arstll is the new manager for the Moro team.

**Grass Valley** (36) **Moro**  
 Bayer, F. (7) F Shipley  
 Stark (10) F (5) Thompson  
 Bayer, C. (11) C (11) Young  
 Crews (4) G (2) Barzee

How we're preparing for your holiday calls

"The Christmas rush" of long distance calls will be extremely heavy this year. Months ago we began getting ready . . . setting up operators' schedules . . . putting in special tables for extra operators to keep the flood of calls in their proper order and help complete as many of them as possible.

Behind the scenes, chattering teletypes feed information from all over the country to this huge board in our Traffic Control Bureau. In his long distance "nerve center" we help make sure each circuit is working at capacity . . . set up alternate routes to help relieve traffic jams and keep calls moving.

Your holiday calls are important . . . and we'll put through as many as we can . . . but there will be delays on Christmas Eve and Christmas Day— even though our circuits to the East are eight times their prewar number. So if you can call before or after December 24 and 25, you'll find service much faster.

Working together to provide telephone service every day in the year are more than 60,000 people who make up Pacific Telephone. Each has an important part in our mutual task: To furnish the best possible service to the greatest number of people in the shortest possible time.
