Just as Miss Walker won the coveted title of Miss America because of her outstanding beauty and talents, so Laundrell has won the hearts of America's housewives for its outstanding performance.

Recent tests prove Laundrell washes more clothes cleaner, more economically than two other leading automatics. That's why more Laundrells were sold the first year than any automatic in its first two years.

Why not come in today and let us demonstrate "America's Choice" in automatic washers? See it wash, rinse and spin dry, all automatically—then you'll know why we say Laundrell is "Better Built to do a Better Job."
