Did you ever see an electric wienie toaster? It electrocutes 'em 'til they're hot all over and inside too, like your girl when you miss a dance. It would make a wienie eater out of a dyspeptic.

For colder blooded people we have some good blankets that had ought to be keeping someone hot instead of our shelves, and outing flannel, and sweaters for ladies, and wool boot sox.

THE TAVERN

More Pleasure... Less Drudgery
IN GOOD HOUSEKEEPING

The good homemaker can't forget the "condition" of her kitchen and bathroom... even when she is out for a good time.

TYLE-BORD wall panels, in soft luxuriant colors, and hard-baked plastic enamel surface... will stop such "worries" because it is so easy to clean... so easy to keep clean. It makes working conditions so pleasant, you'll love it.

Bring in floor plans and dimensions. Select your favorite colors. We'll give you an estimate without obligation.
