

Lou Peetz Loses Second Leg

Lou Peetz underwent another operation in a Portland hospital Wednesday for the removal of his other leg, which was taken off above the knee. Infection was found in his foot after an operation that took off his toe nails, making the second operation necessary. He is reported to have gone through the operation well and be in good shape, everything considered. Mr. Peetz lost his first leg almost exactly a year ago from a similar cause. He is a former county commissioner and road foreman and is

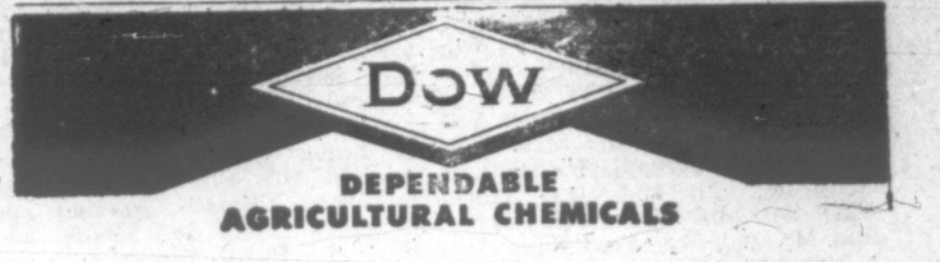

known to nearly every person in the county. Mrs. Mollie McLachlan was given a surprise birthday party last Tuesday when a party of 16 friends, mostly of the Legion auxiliary, came in with birthday cake already baked to give her greetings of the day. Wes Fuller came up Monday to start work preparatory to going into the field as soon as it is dry enough. John Parker, who bought the Amidon buildings last week, will open the Ranch & Home store there as soon as possible, dealing in hardware, paint, and sporting goods. The county court met Wednesday as by law required and talked to several delegations and

salesmen. Agnes Strietzel, partner of Lu Brown, came Monday to remain a few days here before going to California with the car. Mrs. Brown will stay here with her mother, Mrs. Lucy Ruggles. At the Odd-Fellow card party and pie feast Saturday night Marvin Howell walked away with the first prize for "500" and Ernest Houston took the low prize. For women Mrs. John DeMoss had the high score and Mrs. Art Barnum low. John DeMoss auctioned the pies successfully. Howard Schilling of Grass Valley has been named deputy assessor by Bill Todd and is learning the job in the office. Todd is going to start farming soon and Mr. Schilling will be in charge of the office until after

plowing. Todd has no crop this year and will supervise the work. Mr. and Mrs. Lester Barnum returned Monday from their trip to Arizona, New Mexico, and California which lasted two and a half months. They say drought in southern California is a very real and important matter to that district and that crops will be very short unless there are plentiful spring rains. Not a drop of rain fell on them while away from Oregon—and this through the winter months. Merle Miller now has a dif-

ferent sort of cast which causes him to keep his left arm in a horizontal position. Mr. and Mrs. H. S. Bennett stopped here over last week end while on their way home from a trip to California, for a visit with his son and family. Mr. and Mrs. Carrel Bennett They live at Auburn, Wash. A drivers license examiner will be on duty in Moro Thursday, March 11, at the courthouse between the hours of 10:00 a. m. and 3 p. m. The orthopedic clinic, sponsor-

ed by the Crippled Children's 9 and 3, at the offices of the Division of the University of Wasco-Sherman Public Health Oregon Medical School, is sched Department at 510 Court Street, uled in The Dalles on Tuesday For appointments, telephone March 9, between the hours of 3433, The Dalles.
