FARM IMPROVEMENTS CUT YOUR WORKING TIME...

Don't let the need for farm improvements lengthen your working hours and cut down your efficiency. Built-in troughs, new hay barn equipment, new sheds and a milk house can give you more free time. Perhaps your barn needs a new roof and paint job.

A Thrifty-Pay loan will help you pay for your permanent farm improvements the convenient monthly way. Take as long as three years to pay, with no down payment required. Your building supply dealer can arrange a Thrifty-Pay loan for you. Or see your nearest branch of the First National bank.
