### The County Unit System will BENEFIT Sherman County in the following ways

- 1 Improve Educational Services**  
Attract better teachers. Afford better library services  
Coordination of visual aids.
- 2 Make School Administration More Efficient**  
Large quantity purchases can be made. Unnecessary duplication eliminated.
- 3 Decrease Taxes**  
The rural school budget for 1948-49 exceeds the 1947-48 budget by over \$90,000. A member of the rural school board states that this figure can be reduced 20% under the county school system without decreasing educational services.
- 4 Simplify Transportation Problem**  
District boundary lines can be crossed. More satisfactory routes and schedules made possible.
- 5 Supply Central Methods of Administering School Funds**  
We now have a uniform tax in the county. Efficiency will be increased by a central board.
