**HAVE YOU ORDERED YOUR TWINE?**

INTERNATIONAL BALER TWINE

We wish there were indications of a near-normal supply of McCormick-Deering Binder Twine and International Baler Twine for 1948, but it doesn't look that way.

The situation this year, just as in the past several years, will be unsettled due to the shortage of fibers used in manufacture of twine.

We urge all of our customers who need binder twine and baler twine to order from us at once.

**ELECT Stewart Hardie**

Republican for State Senator

Stewart Hardie was born and reared in Gilliam county. He is married and has three daughters in school. He is a graduate of Oregon State college. He has owned and operated the Condon Globe-Times for the past ten years.

Stewart was elected county clerk 12 years ago and has served the people of Gilliam county in an able and efficient manner and is now voluntarily retiring from that office.

He is a conservative business man and thoroughly familiar with the budget system. He has ability, experience and practical knowledge to represent and serve the people of Wheeler, Sherman and Gilliam counties (18th district) in an efficient and business-like way.

It is NOW high time for a change of representation and new blood should be sent to the legislature.

**STEWART HARDIE stands for:**

- Higher Income Tax Exemptions
- Better Roads In Your Community
- Fair Distribution of State Road Funds to this district
- Shorter Legislative sessions with fewer but more practical laws
