ALL good things in life give greatest pleasure when enjoyed in moderation.

Light **OLYMPIA BEER**
"It's the Water"

OLYMPIA BREWING COMPANY, OLYMPIA, WASHINGTON, U.S.A.

7A Model weighs approximately 1200 pounds. Works better under difficult conditions than lighter machines.

Every machine can be assembled as a right hand or left hand drive machine. Very strong, heavy, goosenecks.

The transport, weighing nearly three hundred pounds is the right distance behind the revolving rod. Tiller wheel assemblies work perfectly and last longer.

The straight chain drive on Cheney Weeders is not excelled by any other kind of drive. There is plenty of clearance for stubble and weeds.

For nearly forty years Cheney Weeders have satisfied farmers who want the best. Cheney's are strong, convenient and dependable.

R. H. McKean & Son of Wasco, Oregon have been distributors of Cheney Weeder products ever since these valuable implements were first invented. The Cheney Weeder Company also builds the Cheney SOIL SAVER plow which is recognized as a very successful tillage machine to work the ground properly and to hold it in place.

McKean & Son carry a good stock of Cheney's products and can supply you immediately with these well built and profitable implements. See them at
