

Grass Valley News

By Mrs A. F. Balzer

Episcopal church services will be held at the Methodist church in Grass Valley Sunday, December 12 at 3 o'clock with the Rev. Ernest E. Taylor of The Dalles delivering the sermon.

Mr and Mrs Dean Reynolds returned home last Tuesday from Portland. They had spent several weeks visiting their son in law and daughter, Mr and Mrs Warren Elliott and family in Medford. Mr and Mrs Elliott and family accompanied them to Portland and all attended the Ice Cycles Sunday evening. Mrs Reynolds was the recipient of the orchid bestowed on one of the audience during the number, "Orchid to You."

Mr and Mrs Harold Owens had as dinner guests Monday evening to celebrate their third wedding anniversary, her mother, Mrs W. D. Barnett, Mr and Mrs Olan Stark, John and Henry Peters, and Fred Crowley. Mr and Mrs Bill Johnson came later and spent the evening with them.

TIME TO SAVE ELECTRICITY!

(4:30 to 6:30 every workday afternoon)

Protect your own electric service... keep industries going. Please save electricity between 4:30 and 6:30 p.m. when all power systems are overloaded. It gets dark earlier on winter afternoons, and lights are turned on everywhere... while stores, offices and factories are still operating. The situation is serious. The Northwest has been growing faster than big new power plants can be built. Every little bit helps. Bake in your electric range before 4:30... turn off lights and appliances not actually in use... shut off electric heaters during the critical hours... wash dishes and take baths after 6:30.

To protect your electric service, to keep jobs going, please save electricity during the critical hours, 4:30 to 6:30, every workday afternoon.
