POWER EMERGENCY
Now Exists
24 HOURS A DAY!

A critical power shortage now exists everywhere in the Pacific Northwest all during the day and night as well as during the evening peak hours.

Please Reduce Your Use of Electricity 20%.
Only by such savings can electric service be protected.
Turn off every light and appliance you possibly can.

Your past cooperation, in saving power during the evening peak periods, is appreciated. Please help during this even more serious 24 hour-a-day emergency. It will take many days of warm weather to start mountain streams flowing normally again.

Protect your own electric service . . . Keep industries and jobs going . . . Please save electricity.
