Letter To The Editor:

Feb. 23, 1949

To the Honorable Judge C. A. Tom:
Rufus, Oregon.

Dear Sir:

I am contemplating accepting appointment as County Agent of Baker county.

I have been in Sherman county as County Agent for more than twelve years.

I regret very greatly severing my relationship with my good friends here. I know that I can never expect to find anywhere folks who are more cooperative than those with whom I have been privileged to work.

The boys and girls in the 4-H clubwork have all done excellent work and have placed Sherman county high on the list by their achievement. I will miss them. I earnestly hope that the excellent relationship and cooperation of Sherman county people will continue. It is my sincere wish that whoever replaces me here will increase the accomplishments and developments of Sherman county and its people.

Very truly yours,
Le Roy C. Wright

100,000 Oregonians can't be wrong!

Any organization that grows to more than 100,000 voluntary members in a few years must have merit. That is what has happened with Oregon Physicians' Service. Prepaid Medical and Hospital protection at modest cost has been available from O.P.S. since 1941. Members have a wide choice of physicians, surgeons, consulting specialists and hospitals . . . The O.P.S. plans that have proved so satisfactory to more than 100,000 Oregonians may be of interest to you.
