How George and Jean won \$2,000 college scholarships

These two young Westerners, Jean Hathaway of Chico, California, and George Emde, Jr. of Lodi, California, will begin college next fall with the help of \$2,000 scholarships awarded by Standard of California.

They were chosen as outstanding among 4-H Club and Future Farmers of America members who raised and showed their own livestock at the recent Grand National Junior Livestock Exposition in San Francisco. Four other scholarships of \$1,000 each were also awarded—to Mary Lee Hay of Lovelock, Nevada; Robert Young of Quincy, California; Ralph Boyd of Lancaster, California; and James Buell of Buellton, California.

Scholastic ability, leadership, personality, records in club projects were all considered by 4-H Club and F.F.A. judges.

We'd like to say "Good Luck!" to George, Jean, Mary, Robert, Ralph and James. We know they'll do a fine job in school...and later as good citizens of the West.
