

Word received by Ralph Briskine is that Mrs. Glenna Hansen is here to visit with her sister, Mrs. Leon Moore and other relatives.

Moro News

Mrs. Josephine May had guests last week end. They were her brother, Louis E. Pourron of Johnstone, Pa., accompanied by his son and daughter, who had started west early in July coming to Medford Oklahoma, where they picked up two sisters, Mrs. Grace Love and Mrs. Bessie Willard. The party went to Long Beach, Calif., where they visited a brother, Frank and wife and a sister, Mrs. R. F. Kimball and several nieces and nephews. Coming north they visited another brother, Charles, some relatives in Camas, Wn., and came to Moro to see Mrs. May and give her all the news of her brothers and sister. They started on the return trip Saturday. Mrs. May had not seen her folks since 1923. Dorothy Love went home with her mother.

Henry Mumm has replaced Norman Whitacre as marshal of the city of Moro and is expected to continue the cleanup work started last week. It is hoped that the oiling of Scott street and the others contemplated can be done by September. Work on the bridge by the Hansen place will be done soon. It is having new buttments placed in the ditch because of the lowered waterway caused by cleaning the debris out of the ditch.

Chris Rasmussen, nephew of the late John Christianson, of Dixie, Wn., was here for a week or so to look over the county which he had not seen for 27 years.

Dudley McClure, of MacWilkins, Cole & Weber, advertising agency, was in town Wednesday on behalf of his client, the First National Bank. While here he had some pictures taken of Harry Pinkerton's place for use in the bank's advertising.

Clarence Sparling was up from Portland last week and will return when harvesting begins on his place.

Mr and Mrs Wendell Balsiger are in Portland to attend an insurance meeting.

Loy Cochran is here to operate the combine for Moore Bros. during harvest. Loy lives in Portland.

Norman Whitacre, after a week as marshal of the city of Moro, resigned and has moved to Condon to drive truck for Vernon Platt.

Reports are that Francis Watkins cut 270 acres on his father's place that made 45 bushels. There are many reports of yields up to 40 bushels.

A letter from Miss Vivian Trounce, who has recently returned to Wasco after a California vacation, includes a letter from Katherine Moberg, now of Astoria, that tells how the Moberg children have been doing. Kathryn clerked for a year and is going to Monmouth next fall. Jimmy was salutatorian of his graduating class and won a scholarship to Linfield and an additional \$80 scholarship from the Elks. Susie is president of the Girls League and won the American Legion essay contest and went to Girls State and Billy won the American Legion trophy as the best eighth grader.

Harry Benson is putting a new addition to his home in Moro and already has it looking finished on the outside.

Mr and Mrs John DeMoss returned Monday from attending the funeral of his brother in law, P. Waldo Davis held in Eugene Friday. They also stopped at Washougal, Washington, where Mrs DeMoss' mother, Nancy Dugger Beard, is very ill.

New fall suits are arriving. Get yours early.

Now... Chrysler Offers

1—Safer Driving! Through the years, the greatest advances in safety come to you first from Chrysler. Now there's a new advance in steering... Chrysler's "center control" steering! Your days of fighting a wheel are over. There's greater road stability, easier handling, less road shock. Even the leather covered foam rubber Safety-Cushion dash, and the new "Bulls-Eye" headlight lenses are designed to give you extra protection.

2—Safer Design! Now the engineers who pioneered the first all-steel car bodies have developed a still safer body and frame design—23% more rigid. You have full control of your automatic gear shifting car. With Prestomatic Fluid Drive Transmission, the Safety Clutch enables you to take over in emergencies, select the gear you need.

3—Safer Vision! When Chrysler engineers introduced the first 4-wheel hydraulic brakes 25 years ago—they brought to the automobile industry a new idea. It is the idea of car design that begins with safety, then builds beauty, comfort, performance! You can't possibly appreciate the difference until you drive this car. Find out how much more confident you feel in this Chrysler with its mighty High Compression Spitfire engine.

Prestomatic Fluid Drive* Transmission... drive without shifting
*Optional Fluid Drive
