Keeping children healthy, happy and out of trouble... providing care for the handicapped and aged... your Community Chest dollars work hard for the welfare, dignity and self-respect of human beings.

Just once each year, a Community Chest volunteer calls at your door. He represents many agencies—hospitals and clinics, child-care centers, the Scouts—organizations which make your town a better place to live.

So when you make your pledge, remember it must go a-long way. Please give generously... for the dollars you give will bring a lot of happiness to others—and a lot to you.
