

INGRID BERGMAN "STARRED" IN ROMANCE TRIANGLE . . . Screen actress Ingrid Bergman, pictured here with her husband, Dr. Peter Lindstrom (right) and Italian director Roberto Rossellini before they became co-starred in a dramatic love triangle, has announced that she will return to her husband after she finishes a picture in Italy which Rossellini is directing. Stories from the film's location and pictures showing her and Rossellini in romantic poses sent her husband speeding to the scene. The two men met in a yacht off Messina and it is believed the understanding was reached then.
