Mr. and Mrs. John Parker announce the marriage of their daughter, Jacqueline to Ellsworth Craig, both of St Paul, Minnesota on January 27. The young couple will make their home for the present in St. Paul where Mr. Craig is working on his masters degree in the Fine Arts.

An Exley truck had trouble on the hill north of Grass Valley Friday morning and overturned making it necessary to unload several boxes of apples which were brought to town for warm keeping until the truck could be put in operation again.

Tuesday, January 31, was the fiftieth wedding anniversary for Mr. and Mrs. W. A. Woods of Dufur, parents of Ernest Woods. A celebration had been planned for the day but weather conditions were such that it had to be cancelled.

Giles French was in Portland Friday to attend a meeting of a tax conference where he talked about reapportionment and explained the business tax proposal. He also spoke before the Portland City club at noon that day with his "federal" plan as his topic.

Sheriff Norman Field was in Portland the last of the week to testify in a case being held there.

The PMA men who returned from Gearhart by car last week say they had a rugged trip coming around Mt. Hood, there is lots of snow, but something like a road.

A drivers license examiner will be on duty in Moro Tuesday, February 7, 1950 at the courthouse between the hours 10 a. m. and 3 p. m.

BORN: To Mr. and Mrs. Robert King, Wednesday, January 25, a son in The Dalles.

Mr. and Mrs. John DeMoss left Monday for Hansville, Washington to spend the remainder of the winter although John said this wasn't so bad around here.

The annual meeting of the Moro Community church, scheduled for next Sunday, February 5, has been postponed again, this time indefinitely.

Bob Hoskinson is working in the bank and starting to learn the business of debits and credits. He will take the place of Bill Flatt who expects to go into the trucking business soon.

Dr. Leo Moore and Dr. and Mrs. W. N. Morse drove up Sunday from The Dalles in a jeep to spend the day at the home of Mr. and Mrs. L. V. Moore, parents of Dr. Moore and Mrs. Morse.

Harry Donners, a native of the Netherlands, arrived in The Dalles Wednesday to make his home in this country. He first became acquainted here by writing pen-pal letters to Helen Morrison in school days. Dr. and Mrs. W. N. Morse met and talked to him when on their trip to Europe a year ago and they have been instrumental in getting him into this country.

Virgil Matthia is reported to have had a close call from being gassed with carbon monoxide while returning home from The Dalles Tuesday evening. His car, although new, leaked gas fumes.

Weather Sole Conversation Topic At GV

The weather is about all there is to talk about lately as another storm moved in Thursday with snow and an east wind with temperatures around zero. Snowed most of Friday with below zero temperatures. Saturday night around midnight the report was between 15 and 20 below zero, was cold all day and also below zero Sunday most of the day. Monday was cold although the sun shone all day and Tuesday morning the temperature was 20 or more below zero. The sun was shining at the time of this writing. Schools were closed Thursday and Friday but opened again Monday. There were only 17 pupils in the grade school here.

Mr. and Mrs. Dell Olds were recent shoppers in The Dalles. Mr. and Mrs. Olan Stark and Mrs. W. D. Barnett were business visitors in The Dalles one day last week.

Mr. and Mrs. Charles Perrigo and daughters, Linda and Leslie, were business visitors in The Dalles Saturday.

Mrs. T. M. Rolfe and Mrs. Clair Balzer gave a birthday dinner at the former's home Sunday honoring Mrs. Balzer's mother, Mrs. J. W. Blagg on her anniversary. Those present were J. W. Blagg, Clair Balzer, Mr. and Mrs. Ivan Blagg and family, Gerald Blagg, Mr. and Mrs. Dean Reynolds, Bob Rolfe, Rodney Rolfe and Mrs. Fred Crowley. They spent the day visiting and playing cards.

Jerry Duncan took his son, Harold to The Dalles Saturday for medical attention.

About fifty persons attended a party held at the I.O.O.F. hall Saturday night sponsored by the Grass Valley Woman's club. The evening was spent playing cards and dancing. Refreshments of cake and coffee were served later in the evening.

Bennie Dean Russell, son of Mr. and Mrs. Arch Russell of Dexter, Oregon and Miss Dolores May Butler, daughter of Mr. and Mrs. Eugene Debs Butler were married at the Baptist church in Dexter Sunday January 29 at 3 o'clock. The Russells were former residents of Grass Valley.

William Brinkert went to Portland and brought Mrs. Brinkert and her daughter Elaine, home after spending several weeks there.

Mr. and Mrs. Gordon Lemley are the parents of a son born Saturday, January 28 at The Dalles hospital. Grandparents are Mr. and Mrs. Arzell Lemley and Mrs. Edith Sayrs of Moro.

Mr. and Mrs. Archie Cantrall and children, Gene and Sharon, were dinner guests Sunday at the home of Mr. and Mrs. Orville Ruggles.

Hershel Riggs had supper with Mr. and Mrs. Orville Ruggles Thursday evening.

WIGGLE OUT OF THIS ONE... Christopher G. Janus, 38, Chicago, says he has inherited four beautiful Egyptian dancing girls.

The Very Common Cold

TO AVOID COLDS... AVOID PEOPLE WHO HAVE THEM... EAT WELL-BALANCED MEALS... GET PLENTY OF EXERCISE AND REST.

KEEP WARM AND DRY... WEAR WARM CLOTHING WHEN IT'S COLD OUTSIDE - RUBBERS OR OVERSHOES WHEN IT'S WET.

THE COMMON COLD STRIKES NEARLY EVERYONE AT LEAST ONCE A YEAR

TO GET OVER A COLD... STAY IN BED... DRINK LOTS OF WATER AND FRUIT JUICES... EAT LIGHT, NOURISHING MEALS.

CALL THE DOCTOR... IF FEVER, PAIN OR RACKING COUGH LASTS MORE THAN 24 HOURS.

Common Sense Still Best Defense Against the Common Cold

As the nation settles down this week to its annual mid-winter lull with the common cold, many a chronic victim is wondering what, if anything, has been accomplished in the field of medical research that promises relief from the discomfort and expense that follow in the wake of the cold germ.

For those in search of a sure cure for colds, the news is bad. So far, no one has come up with a universally effective cure for a common cold. Nor has anyone brought forth a fool-proof method of prevention. On the other hand, there have been several promising developments.

The most promising of these was the discovery that anti-histaminic drugs, which have been used successfully against hay fever and other diseases of allergic origin, could also be employed with some success to combat cold symptoms. Preliminary studies indicate they are reasonably effective if taken according to directions at the first sign of a cold.

So far, the country's leading medical spokesmen have declined to give the anti-histaminic their unqualified endorsement. They know the drugs cause certain "side-effects," such as drowsiness and disturbances in appetite.

among allergy victims who take them on prescription.

Much smaller doses are recommended by the manufacturers of anti-histamines now on sale in drug stores, but doctors realize a large proportion of the users will tend to overdose in an effort to break up their colds quickly and, as a result, may be subject to these side-effects.

Aside from taking part in the present mass testing of these new drugs, the best thing the chronic victim can do to avoid the misery of a cold is to try to avoid the cold germ in the first place. That is much easier said than done, but there are several common-sense rules that may help. Those which have won general acceptance among medical authorities are:

1. Stay away from people who already have colds, particularly if they are coughing or sneezing.
2. Keep bodily resistance high by eating proper foods and getting plenty of fresh air, exercise and sleep.
3. Avoid chilling by keeping out of drafts and dressing according to the weather - wearing warm clothes in cold weather and rubbers or overalls when it rains or snows.

For those who catch cold in spite of these precautions, the advice is equally simple. Stay in bed until the worst of the cold is over. Eat light meals, and drink plenty of liquids. If fever, pain or a rattling cough lasts more than 24 hours, call the doctor.

MAY SHIP WHEAT TO JAPAN

The United States sees a potential wheat market in Japan for 35 to 45 million bushels of wheat, but it is not sure the Japanese will have money to pay for it. What dollars they have will first be spent for raw cotton and oil.

This was said in a circular from the office of foreign agricultural relations of the U. S. department of agriculture in Washington.

OFAR based its opinion on a report from the Far East Grain Mission, led by E. J. Bell, Oregon state wheat commission administrator and consisting of Archie Camp, La Crosse, Wash.

wheat grower and president of North Pacific Grain Growers, and Henry A. Baehr, USDA cereal chemist and marketing specialist.

The Mission found that western white wheat, grown in the Northwest, is ideal for okashi (pastry-type food), which is popular in Japan.

Mixing white and hard red winter wheat in export shipments makes it hard for Japanese millers who can't handle the differences in tempering and keep transportation costs time, OFAR circular said. U. S. down.

Good Music Lunch Served
You'll come, won't you?

It did warm up a day or so and maybe thawed most of the ice in the watering trough, but its down to zero again and that ice cold water shrinks a cows stomach! so, fast! it makes her hair stand on end. She may look bigger but she's getting smaller.

There's a cure for 'watering trough shakes'. It is one of our tank heaters, electric or oil, and either will make a trip to the trough as pleasant for a cow as a cup of hot coffee for a man.

We would like to show them to you and wish we could show them to the cows.
