

Flowers are Used At Rufus Meeting

Tulips and lilacs were used for decorating when Mrs. George Fox with Mrs. George Drinkard Sr., were hostesses Thursday afternoon at the Fox residence to the Rufus grange Home Economics club.

A one-thirty lunch of creamed tuna on hot biscuits and a jello salad was served to the ladies.

Mrs. Chub Johnson, who lives in the valley, was a guest of the club. Due to the absence of Mrs. Tracy Fields, Mrs. Andy Engberg presided at the business meeting. The ladies answered roll call by telling of a household hint.

Mrs. Joe Morris reported ten trees were planted on the west side of the grange hall. This was done in the Forestry club under the leadership of Donal Brislain. Each member is to take care of his trees for one year.

Mrs. Sam Brock resigned as chairman of the grange hobby table; Mrs. Luther Steward is to succeed Mrs. Brock.

The date for the silver tea has been postponed until Monday May 22 at 2 p. m. There will be a program and everybody is invited, as it is a benefit for the grange.

An invitation was extended the Rufus club by Mrs. Walt Bruckert to a deep-freezing demonstra-

tion at her home Thursday afternoon.

Mrs. Harland McDonald was appointed to see about the firetax for the hall. It seems too heavy a thickness was purchased when the thinner sheet is better for the job.

The guest, Mrs. Chub Johnson, won the drawing prize and it was a yellow bath and hand turkish towel set \$1.22 was the receipts of the silver dish.

Mrs. Walt Morris passed out some pamphlets and literature on deep-freezing. Club members present beside the hostesses were Mesdames Andy Engberg, Elizabeth Kuypers, Walt Morris, Harland McDonald, Atlee Wilson, Joe Morris, Grace Medler, Sam Brock and Rolland Johnson.

When it began to warm up last Wednesday, it appeared there would be some good growing weather for the crops after all. The wheat is quite short for this time of the year, so it's predicted this harvest will be a month later than usual.

The weed spraying of the wheat isn't entirely finished around here, but the majority has been done. The spray knocks the small weeds right over, but the tar weed is harder to kill. After it is sprayed, and hangs its' head, it is thought it does no more damage to the land. Upon examination the stocks of the tar weed seem hollow so it only draws food from its plant, is the native's explanation.

In places on the pasture land

the wild flowering lupine are so fragrant, they smell and also look like a flower garden. The lupine has a number of different shades of plants that grow wild. There is a pretty pink, white, blue and lavender and the in between shades.

Several of the mothers from the community attended Play Day held at Moro Monday. This is the day where all the schools of the county get together for a day of fun.

Rufus P. T. A. members went to Wasco Friday night where the initiation work was put on. Afterwards there was square dancing and refreshments.

Herman Brackett is still not very well. He was in the hospital last week, but is home again.

Mrs. Alta Smith accompanied by her daughter, Miss Darlene Smith, motored to La Grande early Saturday morning to spend

Mother's day with Mrs. Smith's daughter, Miss Donna Smith, who attends E. O. C. E. and is a sophomore in education. Mrs. Smith and Darlene returned to their ranch near Rufus Sunday evening.

Mrs. James Fox took a chance several weeks ago at just the right time. Mrs. Fox was the lucky winner of an eight-foot deep-freeze at a chance drawing through a church in Gresham. As they didn't have a deep-freeze

it was more than welcome. Mr. and Mrs. Chub Johnson have been guests of their son and daughter-in-law, Mr. and Mrs. Rolland Johnson. Andy Engberg is doing some carpenter work this week for Vernon Miller at Moro. Leland Miller is hauling some sand and gravel to get ready to run the forms for a new house which they expect to build this year on their farm.

ZIEGLER HONORED

Robert G. Ziegler of Grass Valley, a graduate student, was among those initiated last week into Kappa Delta Pi, national honor society in education. His parents are Mr. and Mrs. Herman Ziegler.

Thirteen juniors, 22 seniors, and 10 graduate students were taken into membership.

"We believe in Senator Morse"

... say Republican leaders across the nation... men and women you know and trust...

Senator Wayne Morse has the ability, political courage and the rugged honesty Oregon wants in Congress

These are critical years—years when we need more than ever before, strong, experienced, capable leaders. That is why it is so imperative that Senator Wayne Morse be re-elected to Congress.

Senator Wayne Morse is a leader in the vital issues of today. He is a prominent member of the Senate Committee on Armed Services—which can importantly influence military policy for defense of the Oregon and the West Coast. He is a leading exponent of tax reduction and decreased government spending. He is a member of the powerful Senate Committee on Labor and Public Welfare and has been assured of the next Republican appointment to the Senate Committee on Foreign Affairs.

No freshman Senator in a generation has gained the position of influence that Senator Morse occupies in Congress today. He has the experience, the ability and the respect that Oregon wants in Congress.

THOMAS E. DEWEY

"I want you, my good friends of Oregon, to know that I am deeply grateful for the fine job of campaigning Wayne Morse has been doing for the National ticket all over the country. He is a great friend and a mighty fine Senator."

HAROLD E. STASSEN

"Wayne Morse is an exceptionally able, courageous, forward looking Republican Senator. His loyal campaigning for Republican candidates has been very effective and very helpful."

SEN. ARTHUR H. VANDENBERG

"I want to thank you for your relentless and consistent support for what I believe to be a sound foreign policy for our country. You have been a tower of strength in defense of indispensable cooperation with our anti-Communist allies and for the collective security which not only protects us but also sustains the hopes of free men for a free world."

SEN. MARGARET CHASE SMITH

"Many Republican and independent voters in America give great heed to the Republicanism of Wayne Morse. The Republican Party is fortunate to have such a dynamic, forthright Republican spokesman representing it in the Senate of the United States."

SEN. HENRY CABOT LODGE, JR.

"I feel that Senator Morse's public career typifies the spirit of reform, liberalism, idealism and regard for human rights which gave birth to the Republican Party and which is vital to Republican success in the future."

SEN. EDWARD J. THYE

"As a member of the Senate Agriculture and Forestry Committee, I can assure the farmers of America that Wayne Morse is a Republican leader who thoroughly understands the relationship between stability in our agricultural economy and a sound national economy. His work in the Senate is a source of strength to the Republican Party."
