### Wheat League Show Well Planned

With only a few days remaining until the fourth annual Oregon Wheat Growers League 4-H and FFA show and sale of wheat-fed livestock, in The Dalles June 5-7, an effort is being made to obtain market support for the show from citizens of Portland and the wheat growing counties of eastern Oregon.

Manager Eugene Courtney said 207 boys and girls will exhibit about 158 baby beeves, 112 sheep and 80 swine, well over double the number of animals shown last year. With a larger sale in prospect the final night of the show, Wednesday, June 7th, special effort was ordered to hold prices for the choice and good animals to be sold well above prevailing market levels.

The show and sale will be held at Wink's Auction yards, one mile west of The Dalles on Highway 30. Delmer Martin is chairman of the sales committee. Special show features will include a dinner the opening night for exhibitors, followed by a picture show at the Granada theater. Tuesday night, there will be a combined banquet for exhibitors, leaders, parents and wheat league officials, followed by a program of fireworks over the Columbia river at 9:45 p. m. (DST).

Wednesday afternoon exhibitors and parents will be taken for a boat ride on the river, courtesy of the Inland Navigation Company, on the yacht, Frances.

Special recognition was given the show at the Chamber of Commerce Forum meeting Monday noon (May 29) of the entire membership.

Friends of Joe Brackett are sorry to hear he is still in the hospital where he's been ill for some time. Brackett who is in the Emanuel hospital in Portland, where he now lives, owns property in Sherman county and was a resident here for many years before his retirement. Due to ill health he was forced to move to a lower altitude which he did when he moved to Portland in the middle thirties.

The cattle buyers have been active in Sherman county lately, and many cattle have left the county in the past two weeks.

Over the weekend, the nights were cool and a little fire was real welcome. Although, it was cloudy, nary a drop of rain fell. The community wants rain, as without it, the crops won't do so good especially the spring wheat which isn't very far along yet. Some of the early seeded fall wheat looks real good.

The first cutting of alfalfa is about ready. Trace Fields and Leland Medler were cutting their fields Monday.

Mr. and Mrs. Charles Kuypers were guests last week at the ranch of Mr. and Mrs. Jewel Herin in Prineville. They say the Herins have a nice place there which they bought and recently moved on. The Kuypers went on Wednesday and returned Friday night.

The vacation Bible school will open Monday June 5 at 9 a. m. at the Moro Community church. There will be classes for children from the age of four to 15.
